

*Kalpathi S. Suresh*

**Chairman & CEO**

Kalpathi S. Suresh is the Chairman and Chief Executive officer of the Kalpathi AGS group with substantial presence in private equity investing and entertainment. At Kalpathi Investments, Suresh leads a team of seasoned professionals and aims at fostering innovation driven endeavors in industries and markets that takes advantage of growing globalization. The group actively promotes its interest in all facets of the entertainment industry through its brand AGS.

Suresh, along with his brothers, Aghoram and Ganesh, had founded SSI Limited in the year 1991 and was the Chairman & CEO of SSI until he ceded management control of the company in December 2007. He had been instrumental in growing the company from an IT training provider in Chennai to a global provider of education, consulting and software services. He was closely involved in all strategic initiatives at SSI.

Suresh was a finalist at the Ernst & Young Entrepreneur of the Year Award for India in 1999.

He has a Bachelor's degree in Electronics and Computer Engineering from the Indian Institute of Technology - Madras, and a Master's from Clemson University, South Carolina. He has over 20 years of experience in the Information Technology Industry. Suresh is a fitness enthusiast, a college level basketball player and a marathoner who has completed the Berlin, Tokyo, Chicago, New York, London and Boston marathons.
